### Our Services

Fealeside Financial Services is a member of Brokers Ireland.

Our principal business is to provide advice and arrange transactions on behalf of clients in relation to life & pensions/mortgages/general insurance products. A full list of insurers, product producers and lending agencies with which we deal is available on request.

### Insurance Intermediary Services/Mortgage Intermediary Services (except for Insurance based Investment Products)

We act as an **Independent Broker** which means that:

- a) the principal regulated activities of the firm are provided on the basis of a fair and personal analysis of the market; and
- b) you must pay for our services by means of a fee. We provide our services on the basis of independent advice. This means that the firm does not accept any third party payments (i.e. commissions) from Providers.

### **Fair and Personal Analysis**

The concept of **fair and personal analysis** describes the extent of the choice of products and providers offered by an intermediary within a particular category of life assurance, general insurance, mortgages, and/ or a specialist area. The number of contracts and providers considered must be sufficiently large to enable an intermediary to recommend a product that would be adequate to meet a client's needs.

The number of providers that constitutes 'sufficiently large' will vary depending on the number of providers operating in the market for a particular product or service and their relative importance in and share of that market. The extent of fair analysis must be such that could reasonably be expected of a professional conducting business, taking into account the accessibility of information and product placement to intermediaries and the cost of the search.

In order to ensure that the number of contracts and providers is sufficiently large to constitute a **fair and personal analysis** of the market, we will consider the following criteria:

- the needs of the customer,
- the size of the customer order,
- the number of providers in the market that deal with brokers,
- the market share of each of those providers,
- the number of relevant products available from each provider,
- the availability of information about the products,
- the quality of the product and service provided by the provider,
- cost, and
- any other relevant consideration.

Fealeside Financial Services is remunerated by commission for our investment intermediary services.

### **Life & Pensions/Deposits & Life Wrapped Investments**

We provide life assurance and pensions on a **fair and personal analysis** basis i.e. providing services on the basis of a sufficiently large number of contracts and product producers available in the market to enable us to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs.

We will provide assistance to you for any queries you may have in relation to the policies or in the event of a claim during the life of the policy and we will explain to you the various restrictions, conditions and exclusions attached to your policy. However, it is your responsibility to read the policy documents, literature and brochures to ensure that you understand the nature of the policy cover; particularly in relation to PHI and serious illness policies.

Specifically on the subject of permanent health insurance policies we will explain to you; a) the meaning of disability as defined in the policy; b) the benefits available under the

policy; c) the general exclusions that apply to the policy; and d) the reductions applied to the benefit where there are disability payments from other sources.

For a serious illness policy, we will explain clearly to you the restrictions, conditions and general exclusions that attach to that policy.

## **Mortgages**

Through the lenders or other undertakings with which we hold an agency, ABC Ltd. can provide advice on and arrange mortgage products from the following range: fixed-rate loans, variable rate mortgages, capital & interest mortgages, interest only mortgages, endowment mortgages, pension mortgages and residential investment property.

Fealeside Financial Services provide mortgage advice on a fair analysis basis (providing services on the basis of a sufficiently large number of contracts and product producers available in the market to enable the firm to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs).

We provide advice on the following product providers:

- Haven Mortgages
- Brokers Ireland Network Services

We will need to collect sufficient information from you before we can offer any advice on housing loans. This is due to the fact that a key issue in relation to mortgage advice is affordability. Such information should be produced promptly upon our request.

## Sustainability Factors – Investment/IBIPs/Pension Advice

In accordance with the Sustainable Finance Disclosure Regulation ('SFDR'), we inform you that when providing advice on insurance-based investment products/Investments, we assess, in addition to relevant financial risks, relevant sustainability risks as far as this information is available in relation the products proposed/advised on. This means that we assess environmental, social or governance events/conditions that, if they occur, could have a material negative impact on the value of the investment. We integrate these risks in our advice in the following way:

We review product provider literature in relation to sustainability risks, we liaise with the providers in relation to any queries in relation to the funds. This information is reviewed by the firm on an ongoing basis.

## Considering Principal Adverse Impacts on sustainability factors in the advice:

When providing advice on insurance-based investment products ('IBIPs') or investment advice we assess the PAI information published by product manufacturers as follows:

Fealeside Financial Services will examine the Product Providers literature to establish the Principal Adverse Impacts for the relevant products. The firm will then compare financial products across available providers to make informed investment decisions about the suitability of ESG products for individual clients.

### **Statement of Charges**

We are remunerated by commission and other payments from product producers or lenders on the completion of business.

You may choose to pay in full for our services by means of a fee. Where we receive recurring commission, this forms part of the remuneration for initial advice provided. We reserve the right to charge additional fees if the number of hours relating to on-going advice/assistance exceeds 2 hrs.

In certain circumstances, it will be necessary to charge a fee for services provided. These are listed below. In other circumstances where fees are chargeable or where you choose to pay in full for our service by fee, we will notify you in writing in advance and agree the scale of fees to be charged if different from fees outlined below. **Where it is not possible to provide the exact amount, we will provide you the method of calculation of the fee.**

You may elect to deal with us on a fee basis.

e.g.:

Senior Advisers	€125 per hour
Associates	€100 per hour
Support staff	€75 per hour

Additional fees may be payable for complex cases or to reflect value, specialist skills or urgency, our scale of fees for such cases range from a minimum of €250 per hour to a maximum of €300 per hour. We will notify you in advance and agree the scale of fees to be charge.

Where the commission is greater than the fee due, the commission will become the amount payable to the intermediary unless an arrangement to the contrary is made.

### **Clawback**

If we receive commission from a product provider [and off-set the commission against the fee which we would otherwise have charged you] but the commission is subsequently clawed-back by the provider because of early encashment by you or because of the transferring of the assets or business to another provider or in any circumstances consequent on your actions or omissions, we will charge a fee to you that is equal to [100% of] the clawed-back commission. That fee will be owing in simple contract upon the claw-back of the commission.

### Disclosure of Information

### Conflicts of interest

It is the policy of our firm to avoid conflicts of interest in providing services to you. However, where an unavoidable conflict of interest arises we will advise you of this in writing before providing you with any service. A full copy of our conflicts of interest policy is available on request.

### Default on payments by clients

We will exercise our legal rights to receive payments due to us from clients (fees and insurance premiums) for services provided. In particular, without limitation to the generality of the foregoing, the firm will seek reimbursement for all payments made to insurers on behalf of clients where the firm has acted in good faith in renewing a policy of insurance for the client.

Product producers may withdraw benefits or cover in the event of default on payments due under policies of insurance or other products arranged for you. We would refer you to policy documents or product terms for the details of such provisions.

Mortgage lenders may seek early repayment of a loan and interest if you default on your repayments. Your home is at risk if you do not maintain your agreed repayments.

#### Completed proposal forms/statement of fact

Completed proposal forms or Statements of Facts will be provided to you. These are important documents as they form the basis of insurance contract between the insurer and you the consumer. You should review and confirm that the answers contained within are true and accurate.

You are under a duty to pay your premium within a reasonable time, or otherwise in accordance with the terms of the contract of insurance.

A court of competent jurisdiction can reduce the pay-out to you if you are in breach of your duties under the Act, in proportion to the breach involved.

#### Cancellation of a Contract of Insurance

If you have taken out a life insurance contract, you may cancel the contract by giving notice in writing to us within 30 days after the date you were informed the contract is on cover.

#### **Post- Contract Stage and Claims**

An insurer may refuse a claim made by you under a contract of insurance where there is a change in the risk insured, including as described in an "alteration of risk" clause, and the circumstances have so changed that it has effectively changed the risk to one which the insurer has not agreed to cover.

Any clause in a contract of insurance that refers to a "material change" will be interpreted as being a change that takes the risk outside what was in the reasonable contemplation of the both you and the insurer when the contract was concluded.

You must cooperate with the insurer in an investigation of insured events including responding to reasonable requests for information in an honest and reasonably careful manner and must notify the insurer of the occurrence of an insured event in a reasonable time.

You must notify the insurer of a claim within a reasonable time, or otherwise in accordance with the terms of the contract of insurance.

If you become aware after a claim is made of information that would either support or prejudice the claim, you are under a duty to disclose it. (The insurer is under the same duty).

If you make a false or misleading claim in any material respect (and know it to be false or misleading or consciously disregards whether it is) the insurer is entitled to refuse to pay and to terminate the contract.

Where an insurer becomes aware that a consumer has made a fraudulent claim, they may notify the consumer advising that they are voiding the contract of insurance, and it will be treated as being terminated from the date of the submission of the fraudulent claim. The insurer may refuse all liability in respect of any claim made after the date of the fraudulent act, and the insurer is under no obligation to return any of the premiums paid under the contract.
